# JOINT VALUE BROCHURE

## CREATING PARKING SOLUTIONS TOGETHER

New technologies  
for parking automation

# About **My Parkings**

My Parkings service was developed by Russian company SVIAZISTO LTD based in Novosibirsk. Helps to organize fully automated parking solution – without payment terminals and staff – for a wide range of scenarios: residential/private territories, business and shopping centers, paid city parkings, airports, etc. All payments can be done with the mobile app. Only ANPR-camera, cloud server and user account. Parking has never been easier!

There are also many useful functions both for end-user and parking administrator, such as license plate recognition, car guarding system, parking map with routes, time management system, push and SMS notifications, video surveillance, etc.
