Optimus Connector
For Honeywell Galaxy

Honeywell

Hikvision Optimus Connector for Honeywell Galaxy® Dimension Control Panels

Receive alarms from Honeywell Galaxy Control Panels in HikCentral

HikCentral CONNECTOR	HIKVISION OPTIMUS	Honeywell CONNECTOR
HikCentral	Middleware Solution	Honeywell

Optimus is a system-level middleware product, which is committed to addressing the mapping and integration of **events**, **alarms** as well as the **operational control** between HikCentral & Honeywell Galaxy Dimension Control Panels.

Galaxy Dimension security range has innovative intrusion and door control systems to protect commercial and high-end residential premises. User-friendly and cost effective, the systems provide a wealth of features including wireless options and remote management tools for security managers.

The Connector enables the operator to receive alarms and events from the Galaxy Panels instantly in the HikCentral Control Client, thus enabling easy visual verification and further operator actions. Operators can quickly identify the culprits if a fire door was opened unauthorized.

The Galaxy panels are configured either via the panel itself or via the appropriate Honeywell software. The Optimus Connecter facilitates direct integration of the Control Panel into HikCentral via Optimus.

Integration Key Features

Importing Galaxy Panels into HikCentral
- Add Galaxy hardware to HikCentral
- Link HikCentral functionality to Galaxy actions

Importing Galaxy events & alarms into HikCentral
- Galaxy alarms & events are populated in HikCentral alarm overview
- Link Galaxy alarms to HikCentral actions

Compatible with:
- Honeywell Galaxy Dimension Control Panels, software version 6.72 or later
- Galaxy IP Module E080-8 or E080-10
- Hikvision Optimus: 1.1.1
- HikCentral 1.3, 1.5

How to obtain the Galaxy Connector
- Visit tpp.hikvision.com/tpp/solution
- Locate and download the connector
- Submit a Connector License Key request online using your Optimus Serial Number
- Once approved, the Connector License Key will be emailed to you

The Honeywell Galaxy Connector is developed, distributed, and supported by Hikvision
